5. Limitation of Rights of the Licensee. You may not copy, distribute, separate its parts or create derived versions of the Software, subject to the following exceptions: (a) You may create for yourself one copy of the Software on a medium for permanently storing data as a back-up copy, provided that your archive back-up copy shall not be installed or used on any other computer. The creation of any other copy of the Software shall be a violation of this Agreement; (b) You may not use, modify,

interpret, reproduce, assign, or transfer rights to use the Software or copies of the Software in any manner other than as provided for in this Agreement; (c) You may not sell the Software, sublicense or lease the Software to another person, receive an assignment of the Software from another person, or lend the Software to another person; (d) You may not analyze, decompile, disassemble, adapt, merge, translate, or reverse compile the Software or seek to obtain the source code associated with the Software in any other manner, except for the scope in which such limitation is explicitly prohibited by law nor may you authorize others to do any of the foregoing; (e) You may not create any derivative works based on the Software; (f) You agree to use the Software only in the manner that is in accordance with all applicable laws under which you use the Software including, without limitation, to the Copyright laws of the United States found in title 17 to the United States Code and to other Intellectual Property laws in the United States or elsewhere.

Licensor and its license providers are protected by provisions of international treaties and by all other applicable laws of the country in which the Software is used. The structure, organization and code of the Software may be protected by Patents, Copyrights, and international treaty provisions and are trade secrets and confidential information of Licensor and/or its license providers. You acknowledge that no title to the Intellectual Property in the Software is transferred to you. You further acknowledge that title and full ownership rights to the Software will remain the exclusive property of Licensor or its suppliers, and you will not acquire any rights to the Software except as expressly set forth in this Agreement. You may not copy the Software, with the exception specified in Article 5(a). Any copies that you may create hereunder must contain the same notices of Copyrights and legal title as specified on or in the Software. If you analyze, decompile, disassemble, adapt, merge, translate, or reverse compile the source code or seek to obtain the source code in any other manner in violation of the provisions of this Agreement, any information thereby obtained shall automatically and irrevocably be deemed transferred to the Licensor and owned by the Licensor in full from the moment of the origin thereof.

7. Reservation of Rights. All rights to the Software, except for the rights expressly granted in this Agreement to you as the Licensee of the Software, are reserved by the Licensor for itself.

8. Commencement and Term of the Agreement. This Agreement is valid and effective immediately upon the installation of the Software. You may terminate this Agreement by permanently deleting or destroying the Software, all back-up copies, if any, and all related materials that you have obtained from the Licensor. Your rights as the Licensee shall automatically and immediately terminate without any notice from the Licensor if you fail to comply with any provision of this Agreement. In such a case, you must promptly delete or destroy the Software, all back-up copies, if any, and all related materials. Without regard to the manner of termination of this Agreement, the provisions of its Articles 6, 7, 9, 11, 12, 13, 15, 16, 17, and 18 shall remain valid without the limitation of time and shall survive the termination of the Agreement.

9. Disclaimer of Warranties. (a) Licensor warrants that the Software will perform substantially as specified in the user manuals and other documentation delivered with the Software and that the Software diskettes, if any, will be free of defects in materials and workmanship for 30 days after the date of Licensee's receipt of the Software; provided, however, that Licensor shall not be liable under this warranty if the Software has been modified or altered by anyone other than Licensor, if the Software has been abused or misapplied, or if Licensee has failed to incorporate all upgrades provided to Licensee by Licensor. In the event of a breach of this warranty, Licensee may return the defective Software to Licensor for either: (i) a refund of the licensee fee paid to Licensor by Licensee hereunder, or (ii) Licensor's replacement of the Software without charge. Refund or replacement of defective Software are Licensee's exclusive remedies for breach of this warranty.

(b) EXCEPT AS EXPRESSLY SET FORTH IN THIS SECTION 9, LICENSOR DOES NOT MAKE ANY WARRANTIES, EXPRESS OR IMPLIED, CONCERNING THE SOFTWARE OR THE APPLICATION, OPERATION OR USE THEREOF, THE DATA GENERATED BY THE OPERATION OR USE THEREOF, OR ANY SUPPORT SERVICES RENDERED WITH RESPECT THERETO. LICENSOR HEREBY EXCLUDES ALL IMPLIED WARRANTIES TO THE EXTENT PERMITTED BY LAW, INCLUDING, SPECIFICALLY, ANY IMPLIED WARRANTY ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM A COURSE OF DEALING OR USAGE OF TRADE. LICENSOR HEREBY EXCLUDES ALL IMPLIED WARRANTIES OF MERCHANTABILITY, OR OF MERCHANTABLE QUALITY, OR OF FITNESS FOR ANY PURPOSE, PARTICULARLY, SPECIFIC OR OTHERWISE, OR OF NONINFRINGEMENT, CONCERNING THE SOFTWARE AND THE APPLICATION, OPERATION OR USE THEREOF.

10. No Further Obligations. This Agreement imposes no other obligations on the Licensor except for the obligations specifically listed in this Agreement.

11. Limitation of Remedy. Licensee acknowledges and agrees that it has independently verified that the Software is appropriate for the purposes for which Licensee intends to use the software, and that Licensee did not rely upon any skill or judgment of Licensor in such selection. Licensee assumes the entire risk related to the use of the Software. Licensor's liability in contract, tort or otherwise in connection with the Software or this Agreement shall not exceed the license fee paid to Licensor by Licensee for the Software.

REGARDLESS OF WHETHER ANY REMEDY SET FORTH HEREIN FAILS OF ITS ESSENTIAL PURPOSE OR OTHERWISE, LICENSEE FURTHER AGREES THAT NEITHER LICENSOR NOR ITS LICENSORS SHALL BE LIABLE TO LICENSEE OR ANY OTHER PERSON OR ENTITY FOR DAMAGES IN THE FORM OF CONSEQUENTIAL, INCIDENTAL OR SPECIAL DAMAGES, LOST PROFITS, LOST SAVINGS, LOSS OF GOODWILL OR OTHERWISE, OR FOR EXEMPLARY DAMAGES, RESULTING FROM LICENSEE'S USE OR INABILITY TO USE THE SOFTWARE OR FROM ANY SUPPORT SERVICES RENDERED WITH RESPECT THERETO, EVEN IF LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Because certain countries and certain laws do not permit the exclusion of liability but may allow the limitation of liability, the liability of the Licensor, its employees or license providers shall be limited to 5 dollars in United States currency.

12. **Dispute Resolution.** (a) Except as set forth in this Section 12, any claim or dispute between the Licensor and the Licensee pertaining to or arising out of the Agreement (including, without limitation, the negotiation or assent to the Agreement, or the interpretation, performance or breach of any provision of the Agreement) shall be arbitrated in the State of California before a single neutral arbitrator under the Commercial Arbitration Rules of the American Arbitration Association. Any arbitration award shall be accompanied by a written opinion of the arbitrator giving the reasons for the award, which award may be entered as a judgment in any court of competent jurisdiction. This provision for arbitration shall be specifically enforceable by the parties and, except as otherwise provided by applicable law, the decision of the arbitrator in accordance herewith shall be final and binding. The arbitrator shall have the power to issue and grant permanent injunctive relief and other equitable orders and remedies. Any such arbitration shall be conducted in confidence and in accordance with the confidentiality provisions of this Agreement. Each party shall pay its own expenses of arbitration and the expenses of the arbitrator shall be equally shared. (b) Licensee recognizes that Licensor will be irreparably harmed in the event of its breach or threatened breach of this Agreement, and that, notwithstanding anything contained herein to the contrary, Licensor may commence an action in any court of competent jurisdiction, to obtain equitable relief to prevent such breach or threatened breach at any time prior to the commencement of an arbitration proceeding and, if an arbitration proceeding has been commenced, at any time until an arbitration award is rendered in such arbitration proceeding or the claim or dispute is otherwise resolved. Licensee shall reimburse Licensor for all fees, costs and expenses including, without limitation, attorneys' fees, costs and expenses incurred by Licensor in taking such court action to obtain equitable relief. Licensor shall not be deemed to have waived its right to arbitrate any dispute, claim or controversy by reason of seeking such equitable relief.

13. **Export and Re-export Compliance.** The Software, the Documentation, or parts thereof, including the information about the Software and parts thereof, shall be subject to the measures on monitoring of imports and exports under legal regulations, which may be issued by the governments competent for the issuance thereof under applicable law. You agree to strictly comply with all applicable import and export regulations and acknowledge that you shall be held liable for the obtaining of licenses for export, re-export, transfer, or import of the Software. By accepting this Agreement, you confirm that you are not a resident of any country that is currently embargoed by the United States. A list of embargoed countries is available at the official Web site of the Office of Foreign Assets Control of the U.S. Department of the Treasury at <http://www.treas.gov/ofac/>.

15. **Jurisdiction.** This Agreement shall be governed, construed, and enforced in accordance with the laws of the State of California, U.S.A. The Licensee and the Licensor agree that conflict provisions of the governing law and United Nations Convention on Contracts for the International Sale of Goods shall not apply. You expressly agree that exclusive jurisdiction for any claim or dispute with the Licensor or relating in any way to your use of the Software resides in San Diego, California and you further agree and expressly consent to the exercise of the personal jurisdiction in San Diego, California in connection with any such dispute or claim. You agree to waive any defenses based on venue, the inconvenience of the forum, the lack of personal jurisdiction, and the adequacy of service of process.

16. **Severability.** If a court or other competent tribunal in any jurisdiction finds any provision of this Agreement invalid or unenforceable in whole or in part under the applicable law, such invalidity shall not affect the remaining provisions of the Agreement, which shall remain in full force and effect. The same shall apply with respect to any gaps in this Agreement. Instead of the invalid provision, a valid provision coming as close as possible to the economic intent of the invalid provision shall be regarded as agreed. The same shall apply with respect to any gaps. Any amendments hereto may only be made in writing and a statutory representative must sign such an amendment on behalf of the Licensor.

17. **Back-Up.** Prior to using the Software, you agree to back-up your computer system(s) on a separate media. You acknowledge that any failure to do so may significantly decrease your ability to mitigate any harm or damage arising from any problem or error in the Software.

18. **Entire Agreement.** This Agreement between you and the Licensor represents the single and entire Agreement applying to the Software and completely supersedes any prior representations, negotiations, obligations, reports, advertisements of information related to the Software, agreements, or understandings, whether written or oral, relating to the subject matter of this Agreement.
